

MAY 30, 2015

Dear partners, friends and family,

The kids enjoy helping us prepare Gospel packets for distribution.

Thank you for all the ways you support, encourage, and partner with us. We deeply appreciate you! We pray that God is blessing you where you are. Thank you for helping us to be here in Spain, serving the Lord.

There is a lot going on over here right now as we prepare for this summer's ministry work. We have been getting distribution materials printed, ordered, and shipped to all our outreach locations; recruiting teams and arranging for their visas and accommodations; and participating in plenty of planning and prayer meetings.

Please pray for the timely success of every logistical detail! And of course I (Allen) am also keeping up with all of our ministry's Accounting.

Meanwhile, the local outreach must go on! Even though the busiest time is the summer, people travel through our city every day. I was recently at the port, working with three Christian missionaries visiting from Mexico. One of these guys offered a New Testament packet to a traveling North African who asked him "Why are you handing me this?"

He responded, "I came all the way from Mexico to give this to you."

"Ok, give it to me then!"

For every three people to whom we offer a packet at the ports, usually one person will accept it.

Thank you for praying for us!

Serving Jesus with you,

Allen and Deedee

We had work days every Saturday in May, to get enough materials ready for several port cities.

Please Pray:

For each person involved with Operation Transit: for those who pray, those who give, those who volunteer, those who help logistically, those who lead—that the Lord would strengthen, sustain, and encourage each one, and give us wisdom.

For God to build up each person who comes here to help us, so that they know Jesus Christ better and continue to serve Him wherever they return. Volunteers will be coming from many nations, and from all parts of the world!

Please pray that in each city where we have an outreach, North Africans would meet together to study the Bible.

Please pray for me (Allen): for my safe travel to France from June 16-20 for our Area Financial Leadership Team meeting: and then for my work back here, as I complete our ministry's "end-of-year" financial reports.

Pray for our children: to finish this school year well, and to continue to walk with God, loving and honoring Him in all things.

Please pray for Deedee as she prepares resources for group prayer times for our summer volunteers.

Thank You!
