

GIVING THANKS TO THE LORD

News from Allen and Deedee: October and November 2015

We are rejoicing over all we have seen God do this past year! Please pray as you read through the items below, and rejoice with us! Also, we would love to have you join with us on one of our 12-day mission

projects next year: take a look at the information below, and please prayerfully consider bringing or sending a group. **Thank you!**

GOD HAS BEEN ANSWERING YOUR PRAYERS

First of all, we are happy to have Allen back after he spent most of October visiting the USA. **Thank you for praying** for his safe travels! Allen says: "I was able to work on all my objectives for the trip; I do wish I had been able to connect with more of our partners while I was there."

He did get to see a lot of family and friends, as well as meet some new people. **Please pray** for Allen to catch up with all his work and responsibilities now that he is back in Spain. And please pray for our whole team as we start planning and preparing for our next year of outreach!

October started with the Operation Transit Steering Committee's annual meeting. **Thank you for praying** for it to go well, and for God to guide the decision-making. The chart on the left summarizes the results from our outreach this past year. Other exciting things from the meeting were:

First, we had a special thanksgiving and dedication service for the completed translation of the New Testament into Darija (a Moroccan colloquial dialect). We already started including the audio version of this translation in some of our packets this past summer.

Second, we heard an update on the making of a new film, **Son of Her Tears**, about North Africa's most famous Christian: Saint Augustine. God has already been blessing the project, which began filming on-site in North Africa last month. **Please pray for this film!** It has three goals: (1) To help people who don't yet know Jesus Christ as their Savior, to know how to come to Jesus; (2) To help people who already follow Jesus, to understand Spiritual Warfare; and (3) To encourage Christian parents to persevere in prayer for the salvation of their children. We pray that **Son of Her Tears** will be complete and available for distribution in 2017.

Thank you for praying for the new stickers and inserts for our packets for this past summer. They were ready on time, and we trust the Lord is still using them to guide people towards Himself. *One man eagerly listened to the Gospel message, but he feared taking the entire packet. Instead he accepted one of the new stickers with the QR code for our website.* The website directs people to online versions of the same materials we distribute, and much more, including a way to communicate with us and with our follow-up network. Allen saw many travelers who did not want the entire packet gladly accept a sticker.

WE NEED YOU! PLEASE KEEP PRAYING for leaders and participants to come and help us here:

Maximum team size is 6-12 people, depending on location.
