Notes from the Session, 7/20/23

Discussions continue with Flint-area churches on collaborative ministry. The sessions of Holly and Kirkridge (Grand Blanc) are scheduled to have an informal meeting to discuss areas of commonality on August 15.

Rev. Kate of Trinity United has contacted us to see if there is an interest in joining together on a mission project. There is a need for 20 volunteers to work at the Crim on Saturday, August 26, at the Mile 1 water station. More information to come in early August.

The Presbyterian pastors' group met recently, and it was decided that on October 15 there will be a pulpit exchange. The session is interested in being a part of this.
