

Jesus said to her, "Your brother will rise again."

Martha said to Him, "I know that he will rise again in the resurrection at the last day."

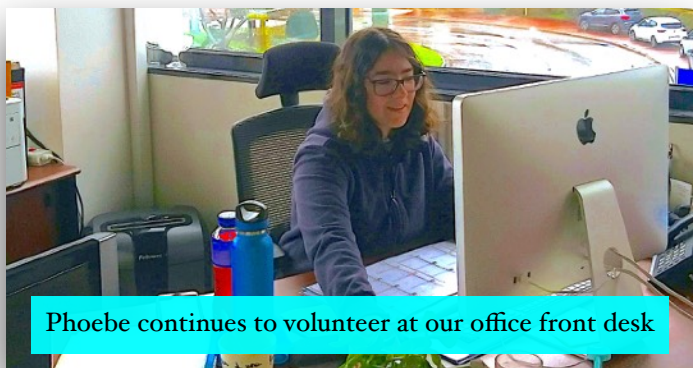

Jesus said to her, "I am the resurrection and the life. He who believes in Me, though he may die, he shall live. And whoever lives and believes in Me shall never die. Do you believe this?"

She said to Him, "Yes, Lord, I believe that You are the Christ, the Son of God, who is to come into the world." - John 11:23-27

Springtime News from Allen and Deedee 18 March 2024

Dear family and friends, we thank God for you, and we pray that you are experiencing God's grace, love, and renewal of life, especially in these days leading up to Holy Week and Easter.

We are enjoying seeing signs of rebirth in God's creation all around us, especially the blossoming cherry and apple trees. We are also rejoicing to hear reports of how the Lord is continually working to renew people's lives.

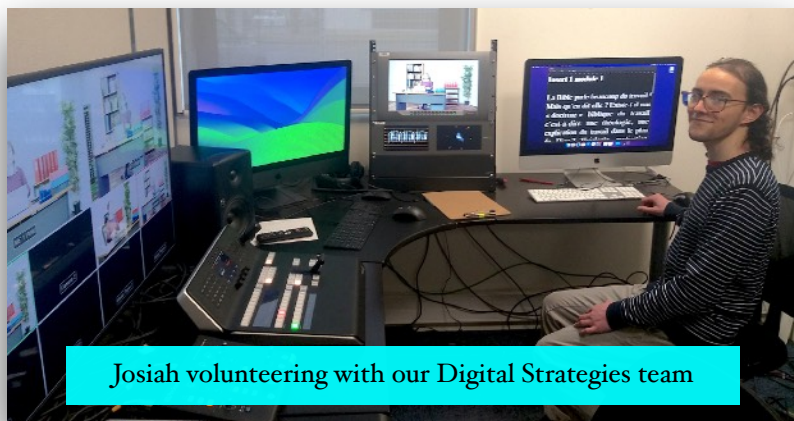

Recently as I was meeting with our Digital Strategies leader, he told me about what they are seeing happen: One North African lady living in the South of France started believing in and following Jesus Christ as a result of the Christian radio program.

Another person he is training has been a tremendous help, volunteering and following up contacts inside one particular North African city. (These contacts are people who have written to a correspondence center

for more information, after seeing a Christian broadcast.) Our colleague reports that this volunteer and has started two small groups (Bible studies) with these interested people, most of whom have been able to become part of a local church there. *Please pray for the Lord to multiply this ministry!*

Our colleague has also been working with and training North African Christians who live in Europe, some of whom are developing TV shows or other online content in which they are sharing their faith; including a pastor who serves a North African community here in France. Others he has trained have been helping correspond with interested people on-line.

Our son Josiah has now started volunteering with our Digital Strategies team, helping with the set and recording sessions at their studio here in our office.

Thank you again for your prayers, support, and encouragement, which helps make all our work here possible!

Serving with you,
Allen and Deedee

Holy Week Devotional
An "Easter Egg" for you!
