Praying & working together to bring the Good News of Jesus to people from North Africa, the Middle East & Central Asia

Dear friends and family, we pray you are keeping well and staying cool! **Thank you** for praying for us, encouraging us, and supporting us in all our work here.

Here at our office, the studio team just finished recording a series of programs explaining the relationship between Christian festivals and faith in Jesus. The series will be televised on several channels for the Arabic-speaking world. My friend, Joseph, who serves with me (Allen) on the Operation Transit Steering Committee, traveled here to record the teachings. *Please pray for the Lord to bless all the Media and Digital Strategies work: from program planning, recording and editing, through to the broadcasts and follow-up work with the people who listen and respond to the messages.*

At the end of May, Deedee and the rest of the leadership team for the NAMESTAN Europe Network met together to coordinate the work and plan strategy for the new fiscal year. It was encouraging to have Edmond G. visit in person for the first time since he became the Network's new director! *Please pray the Lord would heal Edmond's eyes from recurring health problems.*

We would appreciate your prayers for our Network colleagues' outreach and ministry events **listed here** → Please put this chart where you can refer to it and remember to pray throughout the summer! Operation Transit teams have already arrived and started working in the cities and ports of Marseille, Algeciras, Zaragoza, and Tarifa, offering New Testaments and other Christian materials to North African travelers, and engaging them in encouraging spiritual conversations. ***Please pray urgently for the rest of the needed materials to arrive in time to be available for all the OT and GPO teams to give away.***

Please pray for God to prepare the way for every outreach. Pray He would prepare people to be receptive to the Good News of Jesus Christ. Pray the Holy Spirit brings whole

families to follow Jesus together. Please pray, also, for the protection, safety and health of every team member, worker, leader, and volunteer; and for each one to grow in their faith and love.

Please pray for us, also, as we are planning a trip to visit Michigan in August. Please reach out to us at iobstsinSpain@gmail.com to help us schedule a time to see you when we are in town. We appreciate you, and we would love to see you!

Serving with you, *Allen and Deedee*
