*Dear Church Family,*

*It was really nice to see so many of you at the Worship in the Park service on Sunday, July 12. We missed those of you who could not attend and hope we have another opportunity to worship together outside again soon!*

*Since it has been over a year that Sharlyn retired, it has been decided that we no longer really need an 'interim' pastor. At this time, we will begin the process of a Mission Study with the eventual formation of a Pastor Nominating Committee with the expectation of hiring a permanent half-time pastor.*

*After the sermon on Sunday, we kicked off our study by breaking into three groups using a discussion starter with nine questions about Celebrating Our Past (please see attached). We thought you would enjoy reading the answers to the questions. Our next step is to send out an all-church-survey within the next month to each one of you. It is important to take the time to respond as your input will help the Pastor Nominating Committee (PNC) in the search of a new pastor. As another component to the study, the Mission Study Team will be collecting demographic information that will help us understand our community and needs of the surrounding area. We will keep you posted!*

*Blessings,*

*The Mission Study Team (Jan Bradshaw, Bob Killewald, Ellen Paulson)*
