Opening Our Hearts to God's Presence

Opening Prayer

Lord and light of our lives. When we are far from you our whole lives are shrouded in darkness.

We surrender to you that your light may shine in our lives.

The world we live in is so full of darkness. We see suffering, lies, confusion, division, and more plague our communities. We seek the light of your presence so that we might reflect it into the world you have sent us to.

We surrender to you that your light may shine from our lives and into the world.

May we sense you better this morning than yesterday and even as we leave here together at the end of our service, may we carry that awareness of your presence into the world. Strengthen our awareness each day to come because of what we experience here and bring us back next week to share your presence once again. Amen.

Sermon "Surrendering 102"

Rev. Chris Thomas

***Hymn #749 "Come Live in the Light!"**

Affirming What We Hold In Faith

Based on Psalm 36:5-12

God's steadfast love extends to the heavens.

God's faithfulness to the clouds.

God's righteousness is like the mighty mountains

God's judgments are like the great deep;

The Lord saves humans and animals alike.

How precious is the steadfast love of God! All people may take refuge in the shadow of God's wings. They feast on the abundance of God's house, and God gives them drink from the river of His delights.

For with God is the fountain of life;

In God's light we see light.

O Lord, continue your steadfast love to those who know you and your salvation to the upright of heart! Amen.
